BASS FISHING INFORMATION G-A-L-O-R-E!!!

Owners Mike & Laurie Cork provide Ultimate Bass free of charge. Ultimate Bass is one of the fastest growing bass fishing sites on the Internet because of the fishermen friendly atmosphere that is created by its members and visitors. On the forum/message board, bass anglers from across the country share tips, techniques, and reports freely. And that's why this is the ONE and only fishing spot you'll be glad to tell anybody about.
